DYLAN **FOSTER**

Bridgewater State University · d3foster@student.bridgew.edu

PROJECTS

PERSONAL WEBPAGE
Currently modifying and designing my own personal webpage using HTML and Github.

SNAKE GAME
Designed a snake game using linked lists to keep track of snake position and pellets eaten.

HANGMAN
Programmed a hangman game in which as long as the player types a word they will win in IntelliJ using searching techniques for the words.

EDUCATION

MONTH YEAR
ASSOCIATES DEGREE, BRISTOL COMMUNITY COLLEGE
Attained an associates degree in computer science from BCC in 2021, starting in 2019 and achieving a 3.8 GPA along the way through this school.
